

# SD

**club development**

We were set-up in 1999 to help to bring English football clubs **closer to their supporters and their community**

**190 Supporters Trusts** in the UK with a combined membership of over **750,000**

These groups have collectively raised more than £40 million

We now provide help to supporters across **23 European countries**

We now work across a range of **other sports**

We train, skill and support hundreds of volunteers

We produce policy, research & best practice based on our experience

We have helped **more than 40 clubs** – at a range of levels - into supporter (or community) ownership
