

## TON PENTRE AFC – A CLUB UPDATE FROM THE BOARD 24<sup>th</sup> May 2019

The Board of Ton Pentre AFC would like to take this opportunity to provide an update following the club statement submitted on 22<sup>nd</sup> April 2019.

Following the afore said statement a Special General Meeting was called on 15<sup>th</sup> May 2019 at the request of the Ton Pentre football community. The SGM was well attended by a diverse mix of our football family from Board members past and present, players past and present, Bulldog fans and members of the wider community all willing to ensure the future of the club and its proud history and heritage are retained within the village.

We would like to say a massive thank you to all who attended and offered their services be it big or small in helping to move the club forward for the future. The positive attitude witnessed on the night has provided great strength to the Board in the knowledge that the club is considered an important part of our community. This community support will play a major role to the success and sustainment of the club over the coming season and the seasons ahead.

A further thank you must be extended to our wider football family for all your kind words of support via our social media platforms. This has proven to us how important Ton Pentre AFC is outside of our immediate community and another reason why we must work hard to ensure the future of the club.

A special thank you must be given to Ton Pentre AFC Social Club, Ton and Gelli Boys & Girls Club and the CIO for their immediate assistance with financial matters ensuring the club can continue to trade in the short to term.

### The Board

Following the appointments of Chairman, General Secretary and Financial Officer at the SGM we are now pleased to say that a full quota of 12 people are now appointed to the board. The skillset these individuals have will no doubt be an important factor in moving the club forward.

Sub committees will now also be formed to drive funding opportunities to ensure the club remains viable. Positions on the sub committees can be filled by anybody wishing to help in supporting the club.
